COMPLAINT

Plaintiffs ANITA RODGERS and LEON HAYES SR, for their complaint against Defendants state as follows:

INTRODUCTION

1. This is a civil rights action for damages brought under 42 U.S.C. §§ 1983 and 1988, the Fourth and Fourteenth Amendments to the United States Constitution, and under the laws of the State of Missouri. Plaintiff Anita Rodgers and Plaintiff Leon Haywood Sr. are the natural parents of Mr. Leon Haywood Jr. who was a lawful passenger in a Ford Explorer that was stopped for an alleged misdemeanor traffic infraction by the Missouri State Highway Patrol on May 11, 2014. Although Leon Haywood Jr. fully submitted to police authority, the 18-year-old driver of the Ford Explorer fled. A high-speed pursuit was initiated by the Highway Patrol, later joined by three officers for the City of Pevely. The pursuit lasted over one-quarter hour, spanning a distance of over 25 miles, at increasing speeds up to 130 miles per hour, and passing approximately 150 third-party vehicles. Dangerous maneuvers by police and the fleeing driver escalated during the course of chase until pursuit ended in a rollover crash in

which Mr. Leon Haywood Jr., another passenger and the driver were ejected and killed.

Plaintiffs allege that referable to Leon Haywood Jr., the law enforcement Defendants made an unreasonable seizure of his person, subjected him to state-created dangers, and demonstrated deliberate indifference to his safety and/or a purpose to cause his harm.

Plaintiff further alleges that Defendants were negligent in the conduct of the high-speed pursuit, and such negligence actually and proximately caused the crash that killed Leon Haywood Jr.

PARTIES

2. Plaintiffs Anita Rodgers and Leon Haywood Sr. are adult residents of the State of Missouri and the natural parents of Leon Haywood Jr., and as such are entitled under the Missouri Wrongful Death Act, Section 537.080 R.S.Mo (2000) to pursue a wrongful death action for the death of Leon Haywood Jr. on May 11, 2014.

3. Defendant Missouri State Highway Patrol is an agency of the State of Missouri, and the employer of Defendant Brent Fowler.

4. Defendant Ronald Replogle was at all relevant times herein the Superintendent of the Missouri State Highway Patrol, and charged with the responsibility for operations of the Missouri State Highway Patrol as well as the hiring, training, and supervision of personnel. Upon information and belief, he was the ultimate policymaker for the Missouri State Highway Patrol.

5. Defendant City of Pevely Missouri, is a municipal organization existing under the laws of the State of Missouri, located in Jefferson County, Missouri. Defendant City of Pevely Missouri, operates the Pevely Police Department and is the employer of Defendants Benjamin Litterall, Kyle Weiss, and Brian Benjamin.

6. Individual defendants are sworn law enforcement officers in the State of Missouri.
7. Each defendant acted under color of state law at all times relevant here.

JURISDICTION AND VENUE

8. This Court has original jurisdiction pursuant to 28 U.S.C. §§ 1331 and 1343 over Plaintiff's cause of action arising under the Constitution of the United States and 42 U.S.C. § 1983. This Court has supplemental jurisdiction over Plaintiffs' cause of action arising under Missouri state law pursuant to 28 U.S.C. § 1337.

9. Venue lies in the United States District Court for the Eastern District of Missouri because a substantial part of the events or omissions giving rise to Plaintiff's claims occurred in Jefferson County, Missouri. 28 U.S.C. 1331(b)(2).

10. Divisional venue is in the Eastern Division because the events leading to the claim for relief arose in Sainte Genevieve and Jefferson Counties, Missouri. E.D.Mo. L.R. 2.07(A)(1), (B)(2).

FACTS

11. On May 11, 2014, Corporal Brent Fowler of the Missouri State Highway Patrol initiated a traffic stop of a Ford Explorer on northbound Interstate 55 in Sainte Genevieve County.

12. The original alleged offense of the Ford Explorer was a traffic infraction.

13. The Ford Explorer was driven by 18-year-old Jeromy Goode.

14. Mr. Leon Haywood Jr. was one of three passengers in the Ford Explorer.

15. Mr. Leon Haywood Jr. was not violating any law. Defendants had no knowledge or belief that Mr. Leon Haywood Jr. was violating any law at any time relevant.

16. The presence of passengers in the Ford Explorer was known to Corporal Fowler at the time of the traffic stop, who initially identified them as “black males.”

17. The presence of passengers in the Ford Explorer was known by all other Defendants at all times relevant.

18. When Corporal Fowler initiated the traffic stop, the Ford Explorer came to a full and complete stop on the side of the road.

19. The Ford Explorer then fled. Corporal Fowler initiated pursuit.

20. After approximately ten minutes of pursuit, Corporal Fowler was advised by Troop Headquarters that, “We are done. We are terminating if he [the Ford Explorer] is driving like that [driving between two third-party vehicles].” Despite this, Corporal Fowler continued pursuit.

21. Upon information and belief, the Missouri State Highway Patrol did not request the assistance of the Pevely Police Department or its officers in the pursuit.

22. Pevely Patrolman Litterall intervened and joined pursuit in Herculaneum, Mo.

23. Herculaneum, Mo., is outside the jurisdiction of Pevely Missouri.

24. At that time, Patrolman Litterall observed the Ford Explorer to be swerving erratically in and out of traffic, nearly causing several accidents.

25. Pevely Sergeant Kyle Weiss intervened and joined pursuit in Pevely Missouri.

26. Pevely Patrolman Brian Benjamin intervened and joined pursuit in Pevely Missouri.

27. Sergeant Weiss’ radio malfunctioned during the pursuit, severing his communication with the other units. Sergeant Weiss continued pursuit despite this.

28. As pursuit progressed, the vehicles entered increasingly more populous areas.

29. As pursuit progressed, traffic density increased.
30. As pursuit progressed, the speed of the participating vehicles increased.
31. As pursuit progressed, officers utilized increasingly more dangerous tactics.
32. As pursuit progressed, Corporal Fowler and Patrolman Litterall repeatedly pursued the Ford Explorer so closely that they could not ensure proper time and braking distance.
33. As pursuit progressed, the Ford Explorer's drove at higher speeds and in an increasingly hazardous manner.
34. As pursuit progressed, the Ford Explorer's driving became increasingly erratic in response to law enforcement.
35. Law enforcement deployed spike strips, causing the Ford Explorer to swerve wildly, forcing third-party vehicles onto the shoulder and nearly causing collisions.
Pursuit continued.
36. Law enforcement had no reasonable expectation of safely stopping the Ford Explorer through continued pursuit.
37. Approximately 150 third-party vehicles were passed during the pursuit, the majority of which were passed in the final five minutes.
38. Police vehicles reached speeds up to 130 miles per hour during the pursuit.
39. Pursuit did not end until the Ford Explorer attempted to exit Interstate 55 at Imperial Main Street, traveling at high speed and followed by Patrolman Litterall. The Ford Explorer exited the roadway, lost control, rolled several times and crashed.
40. Mr. Leon Haywood Jr. sustained physical injuries in the crash causing his immediate death at the accident site.

41. The total pursuit lasted for more than a quarter hour.
42. The pursuit covered over twenty-five miles of interstate highway, beginning in rural Ste. Genevieve County and extending into the more populous Greater St. Louis Metropolitan Area.
43. Defendants had ample opportunity for deliberation during the pursuit.
44. Four law enforcement vehicles were in pursuit immediately prior to the crash.
45. Mr. Leon Haywood Jr. completely submitted to all displays of authority and force by law enforcement at all times relevant. Mr. Leon Haywood Jr's freedom of movement was completely restricted by law enforcement's shows of authority, shows of force, application of force, and the foreseeable reactions of third parties to the actions of Defendants.
46. Northbound Interstate 55 at the Imperial Main Street exit is an open and public roadway in Jefferson County, Missouri, and outside the jurisdiction of Pevely Missouri.
